### **Angela Floyd Schools' Dance Instructors Brush Up on Current Dance Trends**

In an effort to continue their dance education, our dance instructors have been attending conventions throughout the year! This summer, Miss Melissa attended the Houston Metropolitan Dance Studio's summer intensive program in Houston and the Power House Convention in Dallas where she learned a new jazz warm up and conditioning techniques that have been implemented in many of our upper level classes. In November, Miss Melissa and Miss Keri participated in the instructors' workshops at the JUMP Convention in Greenville, SC. These sessions were led by professional dancers and choreographers such as Mandy Moore, Doug Caldwell, Teddy Forance, Misha Gabriel, Nick Lazzarini, and Bobby Newberry. Our new hip-hop, tap, and technique instructor, Mr. Jared, has continued training with Dance Works, Inc in his hometown of Nashville, TN.

### **The Angela Floyd Schools Inclement Weather Policy**

Please check the website or call the studio after 2pm to verify whether afternoon and evening classes will be held as scheduled. If classes are cancelled due to extreme weather, make-up classes or lessons may be scheduled in the office.
