

# ANGELA FLOYD SCHOOLS

ESTABLISHED in 1997

## What Every Parent Should Know Before Choosing a Dance Studio

1. **What type of dance floor is used?** All of our dance studios are equipped with a professional Marley “floating floor” to absorb the shock of jumping and in addition, help to reduce fatigue and prevent injuries.
2. **What is the right age to start dancing?** Our curriculum and program offers preschool thru advanced level classes for ages 2 thru adults.
3. **Can I watch my child’s class?** Parents, friends, and family members are asked to enjoy our beautiful waiting area equipped with 42inch viewing monitors to watch the classes. This area is also equipped with a complimentary coffee bar and wifi.
4. **What are the “extras” required for the year end show?** Our studio orders costumes from professional companies so parents do not have to worry about any costume hassles. In addition, we DO NOT have a recital fee. Our Spring Concert includes all our students in a professional show held at the Knoxville Civic Auditorium.
5. **Can I get immediate assistance and customer service?** Our studio has full time office staff on hand during all regular class times and during the day so you can get immediate assistance.
6. **Are there any extra bonuses for the families and students?** All families receive a complimentary DVD of the Spring Concert. In addition, AFS sponsors a Student/Family Appreciation Day each spring that includes a complimentary day of food and fun where each student will receive a commemorative Spring Concert t-shirt.
7. **Are there additional performance and/or competition opportunities available?** Our studio is home to the nationally ranked Angela Floyd Dance Company. These dancers perform at numerous local events as well as travel and compete on the regional and national level.
